10. Stoertz Luncheon

JJH had lunch with Stoertz today in IAS. The following items were covered:

(1) Identifying the "Unidentified" - The recent events concerning the identification of the Kovytkino SA-5 Checkout Facility, the Marcieno Cruise Missile Depot and the instructions to COMIREX on targets were discussed. There was some disagreement between NPIC and IAS on the places that should be given coverage. [redacted] of IAS and [redacted] of IEG are to get together to review this list and come up with a revised list of places and the priorities for coverage. Areas of disagreement are to be identified (JJH later told [redacted] to have such a list prepared for his review).
